**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I have Sonic.net DSL for internet and and phone service because I don't want cable TV, and Sonic.net is a smaller provider that has the best prices and service available. Competition in residential broadband service is very important! I do not want Sonic.net to go out of business and I especially do not want to be forced to do business with ANY of the giant telecoms.
